

Superintendent

Seattle Public Schools • Seattle, Washington • www.seattleschools.org

The Board of Directors of the Seattle Public Schools, which serves a diverse population of 48,000+ students, is seeking a new superintendent to lead this dynamic urban school district. Seattle, an international city at the center of the high-tech Northwest economy, has shown strong support for innovative public education for many years. Comprised of 8,000 staff members working in 91 schools, Seattle has been recognized as a leading urban district that outperforms the state average in test scores and graduation rates continue to rise.

After soliciting widespread stakeholder input, the Board seeks a superintendent who:

- Inspires and motivates school district teachers and staff
- Possesses experience and a background in education, or outstanding leadership skills
- Embraces a shared vision for the future of Seattle Public Schools
- Communicates and collaborates effectively with internal and external constituencies
- Builds on our strengths with leading-edge innovation

Screening begins immediately and the Board will interview candidates in March. To apply for this outstanding leadership opportunity, visit: www.hyasearch.com.
